OCTOBER 2009

"When I admire the wonder of a sunset or the beauty of the moon,
my soul expands in worship of the Creator"

Mahatma Gandhi

Hi everyone welcome to the Spring newsletter. I am so pleased as I'm sure many of you are that *Spring* is here. It has been one of my busiest *Winters* to date. Most of you would have been in the new salon by now and although there is still a few minor things that need to be fine tuned, like me I'm sure it has been worth the wait to finally get in there. It was quite the..... let's say *experience or journey?* Anyway that is in the past now.

As part of moving into the new salon I will be doing a bit of a re-launch with new logo and a new price list coming out and perhaps some new treatments.

Already the phone is ringing hot for Summer appointments, so when you are in next it might be wise to book your appointments through until Dec, if it is all possible. Well have a great Labour weekend break you all deserve it! Catch up with you all in the Nov/Dec newsletter. Deanna

The Bella Vi Mineral Make up has been a huge success and if you haven't had the chance to try out this wonderful product just let me know next time you make a booking and I will book out a little extra time for you to try it out, you won't be disappointed. To those of you who have already purchased products, if you have any questions please don't hesitate to give me a call.

IPL

Just a short note to everyone that is wanting to... or already is having IPL. Due to a few people letting Sandey down (and mostly Aucklanders not Waiuku!) she has had to install a cancellation charge. If people don't give more than 24 hours notice that they are unable to come then they will be charged 50% of their booked treatment. I will be phoning everyone on the Fri or Sat prior to the Monday appointments to confirm whether you are still able to make it or not. As always with lots of things a few people spoil it for the others.

e-mail Problems

I have had some major e-mail problems. I changed from Paradise to XTRA and didn't receive any e-mails in my inbox for a couple of weeks. If you don't hear back from me within a couple of days of sending me an email, it may pay to phone me.

Just a reminder to let you know that credit cards are now welcome here, as well as eftpos, cheques and cash of course!

FOOD 4 LIFE

A quick note to let you know that unfortunately Lex has stopped sponsoring supermarket tours until further notice, so sorry to those who were already booked in with Lindsey.

Lindsey is still available for consultations and has gift vouchers available.
